Statement of purpose

Health and Social Care Act 2008

Part 2

Aims and objectives

Please read the guidance document *Statement of purpose: Guidance for providers*.

Aims and objectives
What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

Aims

We aim to provide a high quality, evidence-based, patient-centred care general medical practice to the community of Hebburn

Objectives

Ensure the 'patient experience' is of a high standard

Provide a range of general medical services to the population of Hebburn that reflect the community need.

To be innovative and embrace change to improve the patient journey

To be accountable and provide evidence based and cost effect activities

To promote staff development and welfare

To build relationships with other primary care providers

To develop relationships with other local services and businesses

To provide a high standard of service delivery compliant with national standards

To provide a socially responsible and equitable service within a robust ethical framework.
